The Fruitland High School Marching Band & Color Guard is offering you the opportunity to become a band sponsor and support this exciting organization by purchasing advertisement on the sides of the band trailer.

When we travel, the trailer is hard to miss! It catches the eyes of those on the road as well as at our destinations. When not on the road, it acts as a billboard in the school parking lot and is seen by those from Fruitland, as well as any surrounding communities in attendance for school events.

If you choose to help us advertise for you, you'll be helping a student pay for the experiences of traveling outside of the local area to perform. You will also be helping to support the general costs of operating this great music machine that gives so much back to our supportive community.

As a sponsor you will need to provide your logo or a design and FHS Band & Color Guard Boosters, Inc. will have your advertisement made and placed on each side of the trailer.

ADVERTISING TRAILER SPONSORSHIP

We offer two levels of sponsorship: 1 or 3 year ad options. Ads will be installed in Fall 2022 and will run for the time purchased from date of install. Students that solicit a sponsorship will receive credit in their band account for 50% of the cost of sponsorship. The other 50% goes toward the ongoing expense of the band trailer such as maintenance, rental fees for truck to pull the trailer, fuel, etc, as well as other costs associated with the band.

___ **Platinum - \$1,000** *Platinum Sponsor will be entitled to have their advertisement displayed on the semi-trailer for a total of three (3) years from install date.*

___ **Gold - \$500** *Gold Sponsor will be entitled to have their advertisement displayed on the semi-trailer for one (1) year from install date.*

___ I have included my logo or a design for my ad with this submission form (a business card is sufficient)
